

**ADVERTISEMENT FOR
REQUEST FOR QUALIFICATIONS
(RFQ)
FOR GUARANTEED ENERGY SAVINGS PROJECT**

Notice is hereby given that the Fayette County will receive sealed qualifications for a guaranteed energy savings contract until September 11, 2020 at 2:00 pm local prevailing time at the Fayette County Courthouse, to the attention of and located at:

Amy Revak, Chief Clerk
Fayette County Courthouse
61 East Main Street
Uniontown, PA 15401

At time of opening, the qualifications will be acknowledged, but will not be read aloud nor any prices, etc. disclosed. Qualifications received after the receipt deadline will not be accepted. Qualifications will be held in strict confidence until reviewed and a contractor selected. Upon review of qualifications and award of contract, qualifications will become public knowledge to anyone who submits a request.

The RFQ will be available on August 28, 2020. Offerors must secure a full copy of the RFQ from the County Chief Clerk using the above-mentioned contact.

The qualifications will be to reduce the spread of the virus that causes COVID-19 through engineered infection prevention and energy savings as approved by Fayette County at all County-owned and operated buildings. Time is of the essence.

Qualifications must be submitted in the format required by the RFQ, and must comply with all applicable minimum qualifications, laws, and regulations. All qualifications submitted are valid for acceptance by the County and may not be withdrawn for a period of ninety (90) days after the actual date of opening thereof.

Following receipt and review of the qualifications, interviews may be conducted with the responsible offerors who submitted qualifications. The County reserves the right to select for contract negotiations, the responsible offeror whose qualifications are determined to be most advantageous to the county. The RFQ may be canceled or any or all qualifications may be rejected, in whole or in part, when the County determines that it is in their best interest to do so.

For all those firms interested in submitting qualifications, attention is directed to the Commonwealth of Pennsylvania's Guaranteed Energy Savings Act (62 Pa. CSA §§3751 et seq.). All proposed energy performance contracts and other financing arrangements proposed must be capable of being implemented under the laws and regulations of the Commonwealth of Pennsylvania.

This project is subject to the Pennsylvania Prevailing Wage Law, approved August 15, 1961 (Act No. 442), as amended, and reference is made to the prevailing minimum wage rates applicable to this project which has been promulgated by the Secretary of Labor and Industry.
