

ZA 21-01 Amendment to Fayette County Zoning Ordinance §1000-108 Definitions and word usage

~~AGRICULTURE — The commercial production and preparation for market of crops, livestock and livestock products, harvesting and preparation for market or use of agricultural, agronomic, horticultural, silvicultural, and aquacultural crops and commodities. The term includes production practices and procedures or types of crops, livestock, livestock products or commodities produced consistent with practices and procedures that are normally engaged by farmers or are consistent with technological development within the agricultural industry. The term shall not include the raising and care of exotic animals, including, but not limited to lions, tigers and/or bears.~~

**New Definition:**

**AGRICULTURE – The production and preparation of crops except for personal consumption, as well as any keeping or raising of fowl and/or livestock and the production of fowl and/or livestock products. The term shall not include the raising and care of exotic animals, including, but not limited to lions, tigers, and/or bears which shall only be permitted by special exception under A-1 Agricultural-Rural and with a minimum lot size of 80,000 square feet.**

~~Agriculture Purposes — Land used, or available for use, without substantial change for farming activities such as raising crops or livestock. Agricultural purposes do not include extracting of any rock or mineral; or timbering or raising of forestry products or processing, sorting or grading agricultural product not raised on the lot(s) in question.~~

**New definition:**

**Agriculture Purposes - Land used, or available for use, without substantial change for farming activities such as raising or keeping crops, livestock or fowl. Agricultural purposes do not include extracting of any rock or mineral; or timbering or raising of forestry products or processing, sorting or grading agricultural product not raised on the lot(s) in question.**
